WHAT YOUR HOME DESERVES

Beauty. Quality. Long life. Energy efficiency.
This series is your window on comfort and savings.

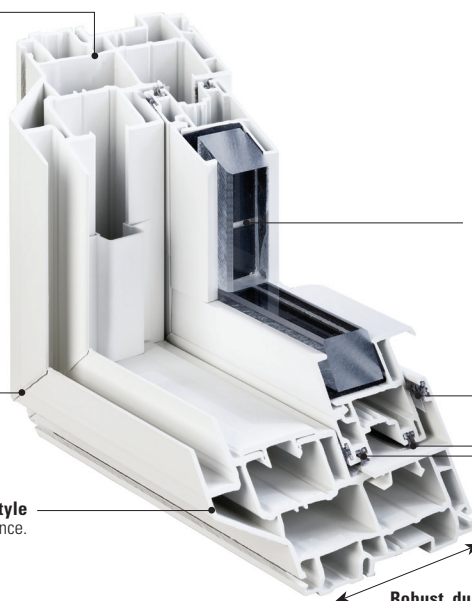

Multichamber design guarantees structural frame integrity and durability in any season, year after year.

Choice of colors:
Standard color white, optional exterior paint available. Exclusive Doublenature™, warm and realistic wood grain finish available, interior and/or exterior.

Fusion-welded corners seal out water and wind.

Contemporary style
Enhances your home's appearance.

Designed to minimize the likelihood of seal failure and gas loss, even with thick and heavy glazing.

Multilayer weatherstripping provides the highest insulation. No drafts or energy loss. Easily replaceable if needed thanks to the groove.

Robust, durable and energy-efficient frame.
Ideally suited to your home.
