

# Sliding Patio Door Replacement Screens

Frame depth = 1/2"

Stock colors:

WHITE or QUAKER BRONZE

Comes standard with BUG FLAP &  
FIBERGLASS mesh

Retractable WHEELS top & bottom  
and CENTERED HANDLE make  
screens easily reversible

CUSTOM MANUFACTURED TO  
YOUR TIP-TO-TIP SCREEN SIZE

If no screen is available, measure  
from the bottom track where the  
screen wheels set up to the inside of  
the screen track.

Deduct 3/8" from the height for your  
tip-to-tip size.

Screen width is comparable to panel  
width.
