WHAT YOUR HOME DESERVES

BE A SMART HOMEOWNER

Beauty. Quality. Long life. Energy efficiency.
This series is your window on comfort and savings.

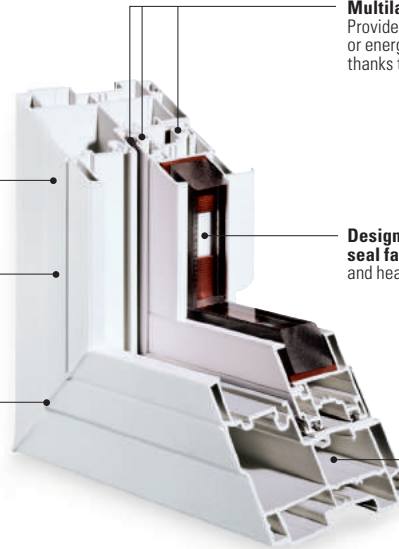

Choice of colors:
Standard color white, optional exterior paint available. Exclusive Doublenature™, warm and realistic wood grain finish available, interior and/or exterior.

Exclusive PVC compound
Gives the window better resistance to impacts and discoloration.

Neat appearance and durability
Add value to any home.

Fusion-welded corners
Fusion-welded corners seal out water and wind.

Multilayer weatherstripping
Provides the highest insulation. No drafts or energy loss. Easily replaceable if needed thanks to the groove.

Designed to minimize the likelihood of seal failure and gas loss, even with thick and heavy glazing.

Multichamber design
Multichamber design guarantees structural frame integrity and durability in any season, year after year.
